Post Applied for: Electrical Engineer/ Lighting Designer Specialist

Dear Sir/Madam,

Currently working as a lighting advisor and now I am interested in expanding my professional horizons by seeking a challenging profile to contribute accrued technical skills towards formulating and achieving organizational objectives.

I have enjoyed a reputation as a team member and have knock for immediately establishing an excellent rapport with clients.

As a team member of your organization I can provide;

- Efficiency, reliability.
- Maturity, honesty, ability to look at challenges as opportunities.
- Knowledge of general & legal office procedures.

My attached CV details my experience. I look forward for the opportunity of meeting with you and exploring possible opportunities at your esteemed organization.

Thanking you in anticipation.

Yours sincerely

Fahed Khan
