

Dr. JAVED AHMED QURESHY

+91-9828068057 • javedjent@gmail.com • www.linkedin.com/in/javed-ureshy

Approved by Dubai Health Authority (DHA) to practice as Specialist Anesthesiologist

Profile:

With 25 years of total experience and 18 years significant exposure as an Anesthesiologist, I can safely claim that I have had a very successful and prosperous career so far. This is by virtue and nature of the many medical institutions I have had the privilege of being associated with globally. I bring to the table with me, experience and expertise in administering General & Regional Anesthesia, coupled with expansive exposure in handling critical care.

In the past I have been associated with NHS – National Health Services in United Kingdom as an Anesthesiologist and have been certified by the American Heart Association as an Advanced Cardiovascular Life Support (ACLS) provider.

Recognized for:

- Providing patients with safe and evidence-based anesthesia, I have had years of experience delivering safe and appropriate pre-operative medications for patients.
- Mentoring, Training and Guiding Junior Doctors in Anesthesia apart from clinical & departmental administrative work.
- Facilitating seminars and conferences from time to time to discuss further improvement and implementation of recent advances in the field of Anesthesia, critical care, emergency medicine & Health care in general.
- Handling emergency cardio pulmonary resuscitation. Vast experience in optimizing, managing and successfully handling anesthesia and pain management in patients who have coexisting morbid conditions like cardiac, pulmonary, endocrine, peripheral vascular diseases etc.
- Remaining as a thought leader and guiding the team while showcasing expertise managing difficult airway.
- OT management, handling more than 30 cases everyday smoothly and efficiently.
- Familiarity with the recent advances in anesthetic and pain management procedures.
- Preoperative assessment, discussion, friendly interaction, providing appropriate information and consent taking of patients who are posted for surgery.

Specialized exposure:

- Specialized experience in E.N.T. Anesthesia with over 25000 cases of various E.N.T. surgeries.
- In-depth experience in Fiberoptic laryngo-bronchoscopy and BAL and fiberoptic intubation for extremely difficult intubations.
- Elective and emergency Anesthesia.
- Central and regional nerve blocks giving subarachnoid, epidural, brachial plexus and other peripheral nerve blocks.
- Specialized experience in advanced and complex laparoscopic Gynecologic surgeries, advanced Rhinoplasty and other plastic surgeries.

Significant Challenges:

Posed and successfully managed during specialized procedures:

- Dealing with massive blood losses
- Prevention of hypothermia
- Management of difficult surgical positions
- Fluid replacement
- Post-operative care
- Elective and emergency Ventilation
- Sick patients with coexisting morbid conditions

Date of Birth: 31st October 1968 | SEX- Male,
Citizenship: India
Passport number: H6322573
Address: B-17, Amar Nath Path, Shivpuri Colony, Budhsinghpura, Sanganer, Jaipur-302011, India
Registration: 15706 (Rajasthan Medical Council India, Dated May 4th 1994)/ 7075427 (General Medical Council, London, UK)
Eligibility letter: Issued by Dubai Health Authority after clearing the DHA exam, Ref-DHA/LS/462016/609980, dated 05/05/2018

Clinical Experience:

Anesthetic Procedures in India and UK

- Regional Anesthetic Procedures
- Ear Block for Tympanoplasty, MRM, Exploratory Tympanotomy
- Subarachnoid Block
- Epidural Blocks
- Combined Spinal Epidural Blocks
- Supraclavicular Block
- Caudal Blocks
- Wrist Blocks
- General Anesthetic Procedures
- Endotracheal Intubations
- Flexible Fiber Optic Intubations
- Laryngeal Mask Airway
- Cricothyroidotomy
- Open Heart Surgeries
- Beating Heart Surgeries
- Laryngectomies
- Commandos Operations
- FESS
- Cannulations
- Peripheral Venous Cannulation
- Arterial Cannulation
- Central Venous Cannulation
- Schwan Ganz Catheterization

Core Competencies:

Intra Operative Anesthetic Administration
Preoperative Assessment & Patient Monitoring
Post Anesthesia Care & Out-of-OR procedures
Regional Anesthesia & Critical Care
Management of difficult airway

Administrative Key Deliverables:

- Skillful in keeping the team united, keeping a healthy working environment and to deliver best results as a team.
- Managing inter, intra hospital transfers of critically ill patients as per strict guidelines.
- Commendable interpersonal skills (with fellow physicians, nurses, OR techs and other healthcare personnel).
- Imparting training and teaching to theatre staff, nurses, ICU nurses and junior doctors.
- Handling emergency as well as routine cases of ASA grade I to IV E independently.
- Initiating, managing and weaning patients from ventilators.
- Annually updating with the newest trends and innovations in anesthesiology and pain management.
- Expertise in delivering safe and appropriate pre-operative medications for patients scheduled for surgery.
- Providing general/regional anesthesia for various types of surgery and patients (pediatric, adult and geriatric).
- Performing numerous endotracheal intubations for emergency/ trauma patients.
- Prescribing pain medications for post-operative patients and prescribing pain treatments for terminally-ill Cancer patients.
- Counseling the patients with chronic pain conditions regarding various treatment modalities.
- Overseeing the performance of newly-certified Anesthesiologists.
- Prescribing pre-operative medications to decrease the anxiety of patients scheduled for surgery.
- Delivering safe and evidence based anesthetic to patients undergoing various surgeries .
- Prescribing pain relievers and performing other invasive and non-invasive techniques for post-operative pain management.
- Excellence in providing patients with safe and appropriate-dose computed anesthetic agents during operations
- Regular participation in the Pain Management Counseling Program of the hospital.
- Following up on post operative patients who participated in the aforementioned counseling program.
- Consulting pre-operatively with patients regarding their pain management plan and anesthetic plan for patients scheduled for surgery.
- Assisting fellow consultants during anesthetic and pain management procedures along with providing pain medications for post-operative pain control.
- Monitoring the condition of patients in the Post Anesthesia Care Unit.

Research Exposure:

- Effects of preloading in combined spinal epidural Anesthesia in orthopedic surgery,
- Comparison between Crystalloids, Gelatins and Hydroxy-ethyl starch.

Life Memberships & Affiliations:

- Indian Medical Association
- Society of Emergency Medicine India (SEMI); ACLS certified by American Heart Association.

Academic Credentials:

- 2004: M.D. (Anesthesia) from S.M.S Medical College and Associated Hospitals, (University of Rajasthan, Jaipur, India)
- 1993: MBBS from S.M.S Medical College and Associated Hospitals, (University of Rajasthan, Jaipur, India)

Career Transition:

Since May 2012

Fortis Escorts Hospital
A unit of Fortis group of Hospitals
Consultant - Department of Critical Care

Since May 2013

Jaipur Doorbeen Hospital, Jaipur, India
Consultant Anesthesiologist

Since Dec 2015

Siddham ENT hospital, Jaipur, India
Visiting Consultant Anesthesiologist

Apr 2011 – Jun 2012

Wansbeck General Hospital,
Northumbria Healthcare NHS foundation Trust,
Ashington, Northumbria, UK
International Training Fellow

Jun 2006 – Apr 2011

Jain E.N.T. Hospital, Jaipur, India
Soni Hospital and Research Center, Jaipur, India
Sahai memorial Eye Hospital and Research Center,
Jaipur, India
S.R. Kalla Memorial Gastroenterology Hospital and
Research Center, Jaipur, India
Consultant Anesthesiologist

Aug 2004 – Jun 2006

Krishna Hospital, Jaipur, India
Vijayvarghiya Hospital, Jaipur, India
Dausa Nursing Home, Dausa, India
Jain Eye Hospital and Research Center, Jaipur,
India
Visiting Consultant Anesthesiologist

Jun 2003 – Jun 2004

S.M.S Medical College and Associated Hospitals
(University of Rajasthan, Jaipur, India)
Department of Anesthesia - **Third Year Anesthesia
Training**
Resident Senior Registrar

Jun 2002 – Jun 2003

S.M.S Medical College and Associated Hospitals
(University of Rajasthan, Jaipur, India)
Department of Anesthesia - **Second Year
Anesthesia Training - Junior Registrar**

Jun 2001 – Jun 2002

S.M.S Medical College and Associated Hospitals
University of Rajasthan, Jaipur, India)
Department of Anesthesia - First Year Anesthesia
Training
Resident House Officer

Jul 1997 – Jun 2001

Ministry of Health and Family Welfare,
Government of Rajasthan, India
Primary Health Center, Shishoda, District
Rajsamand, Rajasthan, India
Medical Officer In-charge

May 1996 – Jun 1997

Soni Hospital and Research Center, Jaipur, India
